Dear Justin,

The recent gift of the brand new MTD Yard Machine tiller was a wonderful surprise. We are honored to receive such great a gift from Champion. Many gardens are sure to flourish with the help of our new tiller.

The Resident Home Association (RHA) is one of Ohio's most respected nonprofit residential service providers, established in 1966, RHA was Dayton's first private nonprofit to provide residential services to individuals with developmental disabilities. RHA's distinction of excellence in the community is not only due to the agency's commitment to quality but is shared with members of our community through volunteerism, donations and grants. In the spirit of these shared values we sincerely appreciate your participation in continuing to provide much needed services to individuals with developmental disabilities.

Enclosed are a few brochures about Resident Home Association and Partners For Community Living (Partners). Partners, our innovative partnership with sister agency Choices In Community Living, was created to assist both agencies in meeting their shared values and common missions. Partnering together allows both agencies to provide services neither could afford on their own.

We would like to include your name as a donor in our upcoming newsletter. Our newsletters will also appear on our newly revamped website in the near future. If you do not wish to have your name listed as a donor please contact me at (937)278-0791. I sincerely hope you will continue to enjoy our newsletters and consider partnering with RHA & Partners in the future.

Best Regards,
